Artist	Julie James Turner
Workshop	<i>Amazing Sea Creatures</i>
Details	<p>Use fish and sea creatures as the inspiration to create a textile piece using a variety of mono prints & fabric appliqué techniques.</p> <p>Fabric images are created by mono prints and fabric appliqué techniques. After discussion and looking at printouts and books of sea creatures, children draw and design a composition. Children are instructed in several different types of mono printing and appliqué ideas and techniques. Children initially create their background by mono printing then create layers by over printing and applying fabric appliqué. Children can be as detailed as time allows; embellishing with sequins/beads, buttons and yarns. The aims of this workshop are to; research different fish and sea creatures looking at shape, form and colour; translate ideas into a drawn design; have an awareness of the process of mono printing; have an awareness of the process of fabric appliqué; apply the techniques to create a unique textile image.</p>
