ABOUT

dot-art Schools is an interactive, online, inter-school art competition, taking place annually and culminating in a public exhibition of the winning artworks and prize giving celebration for teachers, students and their families.

The competition is open to all Primary (Year 5) and Secondary (Year 9) and SEND schools in the six boroughs of Liverpool City Region and beyond. It is designed to nurture talent, raise aspiration and take art out of the classroom into the real world.

Set up in 2012 in response to demand from local schools and the sidelining of the arts in the curriculum, to date over 11,500 children and young people have taken part.

WHY?

The positive impact of our programme on students' mental health and well-being has been proven. Research carried out by Liverpool Hope University and Curious Minds showed that taking part in dot-art Schools nurtures children and young peoples' creativity and boosts their confidence. We learnt that the students gain a measurable sense of self-respect from the process. Participating in the competition can also raise aspirations and engage student's families. We know that the pandemic has increased the disadvantage gap markedly; engaging with dot-art Schools helps build valuable cultural capital in students.

TEN REASONS TO TAKE PART

1. Contributes to a broad and balanced curriculum which build students' cultural capital (included in the new Education Inspection Framework)
 2. Increase pupils' self-esteem, particularly important with the growing mental health crisis facing young people, which has been magnified during lockdown.
 3. Help close the disadvantage gap, which has been significantly widened by the COVID-19 pandemic.
 4. Raise your school's profile regionally and demonstrate the school's commitment to arts and creativity.
 5. Fantastic opportunity to showcase your students' artwork outside school.
 6. Compare standards of artwork with other schools across the region, online and in a gallery setting.
 7. Improve students' confidence in their own ability and give a real sense of pride.
 8. Great way to engage students' families through the public vote, exhibition and prize giving ceremony.
 9. Demonstrate the quality of artwork produced to students' families and the wider community.
 10. Support your Artsmark journey and help meet Gatsby benchmarks, OFSTED and National Curriculum attainment targets.
